## Key Problem Areas

High Early-Career Attrition

Burnout & Overtime Issues

Departmental Satisfaction Gaps

Job Roles with Heavy Workload

Moderate Satisfaction Across Departments

## Recommendations

### 1. Reduce Early-Career Attrition

- Implement onboarding buddy program
- Provide clear career path & training
- Conduct 30-60-90 day check-ins

### 2. Address Burnout & Overtime

- Create fair scheduling policies
- Limit excessive overtime
- Offer mental health and wellness programs

### 3. Improve Department Satisfaction

- Survey teams quarterly
- Improve communication between managers & staff
- Provide department-level rewards & recognition

### 4. Target High-Risk Job Roles (Nurse, Other roles)

- Rebalance workload
- Add support staff
- Provide role-specific career development

### 5. Improve Overall Workplace Conditions

- Promote flexible work schedules
- Enhance work-life balance programs
- Build employee feedback loop
